Telangana, India

EDUCATION

Chaitanya Bharathi Institute of Technology — Bachelor of Engineering in Computer Science (2025 – Present)

Quli Qutub Shah Government Polytechnic — Diploma (2022 – 2025)

Government High School — Secondary School (2012 – 2022)

RELEVANT COURSEWORK

Data Structures • Algorithms • Database Management • Object-Oriented Programming • Computer Networks • Software Engineering

EXPERIENCE

Codtech IT Solutions Pvt Ltd (Virtual Internship) — Full Stack Developer Intern (Jan 2026)

- Assisted in developing and debugging web application features using modern tools
- Collaborated with team members to implement functionality and improve performance
- Gained exposure to full-stack development workflows and debugging practices

Oasis Infobyte (Virtual Internship) — Web Development Intern (2025)

- Developed responsive web pages using HTML, CSS, and JavaScript
- Improved UI design and ensured cross-browser compatibility
- Worked on real-world frontend tasks to enhance development skills

PROJECTS

CrowdSense | React.js, JavaScript (Feb 2026)

- Developed admin dashboard for monitoring and managing public complaints
- Built responsive UI components for viewing complaint categories and details
- Organized complaints department-wise for efficient tracking and management
- Designed interactive dashboard layout to improve usability

Personal Blog Website | React.js (Nov 2025)

- Built responsive blog platform for creating and reading articles
- Implemented blog listing, detailed blog pages, and dynamic rendering
- Designed modern card-based layouts using HTML and CSS

TECHNICAL SKILLS

Languages: Java, Python, JavaScript, C++

Frontend: HTML5, CSS3

Frameworks/Libraries: React.js, Vue.js, Bootstrap, Tailwind CSS, jQuery

Tools: Git, GitHub, Visual Studio Code

Core Concepts: Data Structures & Algorithms, OOP, DBMS

Database: MySQL

Soft Skills: Leadership, Teamwork, Adaptability

LEADERSHIP / EXTRACURRICULAR

- Winner – HackSphere 2k26 Hackathon (1st Place)
- Participant – Smart India Hackathon (2025)
- Participated in multiple hackathons and collaborative technical events
- Demonstrated leadership, teamwork, and adaptability in team environments
